

Students and Parents,

We are so excited about our Summer Reading Program here at Wright Elementary School! Attached, you will find a Summer Reading Bingo Challenge. You are challenged to complete as many reading squares as possible on the Bingo card. Each time you complete a task on the card, you should write the name of the book inside the square. You should only use each book once on the card. When school begins in August, you need to return your card to your classroom teacher for prizes! The deadline for turning in cards is Friday, August 25, 2017. There will be varying levels of prizes for students who complete one row, two rows, three rows, four rows, and blackout (all squares completed). These prizes will be given in the school library when cards are turned in. We can't wait to begin the Reading Bingo Challenge, and we are so excited thinking about all the wonderful things you will read! The challenge is on...are you up for it???

Happy Reading!

Mrs. Moody
